- Make a diary showing what vegetables you have had/will have to eat every day this week.
- Try something new! Which vegetable have you eaten the most of? Which vegetable have you eaten the least of?
- Ask your family which is their favourite vegetable. Which vegetable do most people like?

Don't let the vegetables defeat you!

Topic.

Find out more about your favourite vegetable.

Where does it grow?

How long does it take to grow?

Creative fun!

- Play 'What's in the bag?' with vegetables! Ask your grown-up to put a vegetable in a bag without you seeing it. Can you guess what it is just by feeling it? Take it in turns with your family to guess the veg.
- Play guess the vegetable by tasting it. No looking allowed!
- If you could grow absolutely anything in a garden, what would you grow?
- Draw a picture of your magic garden.

HAPPY LEARNING!
