Dear Parents,

Downloading Tapestry Online Journal – 13th July 2022

As many of you are aware, we use an online system called Tapestry to help us record your child's progress. As the children enter Year 1, their Tapestry accounts will be archived in order to create space for the new Reception cohorts. Therefore, you will no longer have access to your account.

We are aware that the journals contain precious memories for your child, and we would like to offer you the chance to download your own copy.

If you have a parent account set up, you will have been sent a link to download the journal from the today. **This link will last for 21 days and after that you will no longer be able to access it.** You can also [click this link](#) to access a video which is a tutorial on how to download your child's journal.

If you have any problems downloading your child's journal, please contact your child's class teacher.

Kind regards

Bindya Chapaneri
Deputy Headteacher
