

Tuesday 12th July 2022

Dear parents and carers

Please find below the information about the classes and teachers for September 2022. The children in years 1 to 6 will be meeting their new teacher for the morning on Monday 18th July, reception will meet theirs on Tuesday 19th July. You will notice that we have new class names. In keeping with our strapline, 'small school, big ambition' the classes are now named after inspirational scientists.

Key Stage	Year and class name	Teacher
EYFS	Reception - Anning	Emine Volkan
Key Stage 1	Year 1 - Curie	Tiffany Subang
	Year 2 - Hawking	Chloe Pritchard
Lower Key Stage 2	Year 3 - Berners-Lee	Chris Zacharia
	Year 4 - Goodall	Anthea Theobald
Upper Key Stage 2	Year 5 / 6 - Carver	Victoria Cannon and Bindya Chapaneri

We are really pleased that Delta continues to grow, and from September we will have only one mixed age class. To support how the national curriculum is organised by key stage, the mixed class in September will be years 5 and 6. This means that Tulip class will be split; current year 3 will be a single year 4 class, and the current year 4 will join the current year 5 to form a mixed year 5 / 6 class. The Y5 / 6 class will be taught separately by year group in the morning for English and maths, and come together in the afternoon for science and the foundation subjects.

Staffing changes

We have two new staff joining us; Chloe Pritchard and Tiffany Subang, who we offer a warm welcome to as they continue their teaching careers at Delta.

We say a very sad goodbye to Janan and Andrea, and wish them all the best in their new endeavours. We are very grateful for all the support they have offered the pupils at Delta over the years, they will be missed. Also good luck to Shanae who is leaving us at the end of this term. Kafia Hadi we say a temporary goodbye to as she starts her maternity leave and we wish her well.

If you have any questions please let us know and hope you all have a good remainder of the term.

Best wishes

Kate Stevens
Headteacher
